Introduction

Dear New Student,

Warmest welcomes and congratulations on being admitted to UIUC, and taking that first step into the next phase of your life!

For most of you, this would be the first time you are studying overseas, away from your family and the familiarity of home. It may seem terrifying to be in an unknown foreign place “on your own” but fear not, we hope to be your home away from home - forging closer ties with you and helping you adapt to the new environment. We are sure that in time to come, you will grow to love the U of I as much as we do, and take pride in being part of the Fighting Illini!

To ease your transition into the new culture and community, SSA has compiled general information and useful tips about the university and life in Urbana Champaign (aka “Chambana”) in this little booklet. We also hope that this booklet will facilitate your whole process of settling down in a foreign land – from the preparation back home all the way to the first few weeks of school. Feel free to approach any of the friendly and helpful seniors if you have any further questions or doubts.

We are glad that you have chosen to join our university and we want to help you get adapted and immersed in the Chambana community. Get ready for a wonderful college experience filled with countless memories that you will treasure for years to come!

Once again, welcome to UIUC! :)

Your friendly seniors,
Singapore Students Association
University of Illinois at Urbana-Champaign

Pre-Departure

College Related Matters

1. Ensure that the “certified true copies” of your academic transcripts have been mailed to the Office of Undergraduate Admissions as soon as possible. Your JC/High School may have already done it on your behalf. The deadline is July 1, 2020¹.
2. Claim your NetID and set the online passwords. Your NetID is a username assigned to you that is unique across all University of Illinois campuses. It serves as your login to many university computing and networking services, and also determines your University email address, which is netid@illinois.edu. You will receive instructions for claiming your NetID and setting your passwords.
 - NetID: <https://netidclaim.illinois.edu>
3. Check your school email at <http://g.illinois.edu> to see if the school has sent you any important information. Your email will be hosted on Gmail.
4. Apply for housing online at <http://www.housing.illinois.edu/apply-now> You will need your EnterprisID² to apply for housing. (Optional)
5. Sign up for Summer Registration. This is the period you talk to an advisor online and register for your classes for Fall 2020. We advise you to choose the earliest day so as to get all your classes before they fill up. A date in early June would be ideal. Check your admitted checklist for instructions!³
6. Ensure you get these documents at least 2 weeks before departure:
 - a. Offer of Admission
 - b. I-20
 - c. Medical Checkup Form (X-rays are NOT required)
 - d. Bank Statement

Note: UIUC Fall 2020 first day of classes is : 24 Aug, 2020⁴

¹ <https://www.admissions.illinois.edu/FAQ/admitted-freshman>

² You will notice that different school sites may ask for things like “Enterprise ID” or “Active Directory (AD)”. These are basically your NetID - the school recently merged all these services together.

US Student Visa

Kindly check the UIUC SSA website for more information. Under the “resources” tab, the document titled “visa and immunization information” contains the steps and details of the application process. Try to get this done at least 2 months before your departure (June 2020) in case of complications! Remember that you must arrive on campus by the “no-later-than” report or start date indicated on the I-20 or DS-2019.

Website: <http://www.uiucssa.com/>

Medical Check-Up

1. See a doctor to fill in the McKinley Health Center Immunization and Medical History Forms, as well as the TB screening form. This can be done at most clinics. Also, please bring along your health booklet and any other medical records (especially for vaccinations).

Instructions: <http://www.mckinley.illinois.edu/General/admission.htm>

2. Some vaccinations are optional. You can check with your doctor or visit the Traveler’s Clinic at TTSH for advice on vaccinations i.e. seasonal flu. Chicken pox vaccination is advisable if you have not contracted it before.

Transport to UIUC

Buses from Chicago O’Hare Airport (ORD) (~\$30):

- University of Illinois O’Hare to Urbana-Champaign Shuttle Service - service provided by ISSS for new incoming international students. The dates for this shuttle service are still TBC (typically over a five-day window). The cost is \$37 per person. (Fall semester only)⁵
- Peoria Charter serves many different locations including Bloomington Airport as well as Chicago O’Hare. Recommended for good price and trusted service!
- Greyhound has daily service between downtown Chicago and Champaign.
- EAC Shuttle provides service between Chicago (O’Hare) and Champaign-Urbana.

⁵ http://iss.illinois.edu/students/incoming/pre_arrival/transportation.html

Departures from O'Hare are from the International terminal (Terminal 5) or the shuttle center. Check to ensure you are waiting at the correct location. It may take a while for you to pass through the US immigrations (1-3 hours) so do take that into consideration when you book the bus. Also, some companies require you to book tickets using American debit/credit cards so contact any SSA member if you have any difficulties in doing so.

- Amtrak Train from downtown Chicago Union Station to downtown Champaign (<http://www.amtrak.com>)
 - Not advisable as it is highly inconvenient, especially as you are arriving into the U.S. for the very first time with sizable luggage.
 - It is comfortable though, the seats are bigger than a typical bus seat.
 - To take the Amtrak:
 - Take Chicago metro to Union Station as Amtrak station is in downtown Chicago (45-60min)
 - Buy tickets and take Amtrak. Tickets are about 15-30 USD. Amtrak journey is 2-2.5h.
 - Upon arrival at Champaign, take a public bus to get to the campus (5 East (Green) or 1 South (Yellow)). Check out the schedule and route-maps: <http://www.cumtd.com/routeschedules/>

From Willard Airport (CMI), the airport that serves UIUC:

- Walk North to the Walmart and take 1 North Yellow. Google Maps says it'll take about 1.5 hours.
- Use the Uber/Lyft app to call for a ride down to campus.
- Contact the seniors to ask for help (contact List at the end of this booklet)

Important Documents

Please pack these important documents in your hand-carry bag. Do bring along copies of all these documents and keep them separate from your originals.

1. I-20
2. Passport + US Visa (printed in passport)
3. Offer of Admission
4. Physical copy of bus ticket (ensure bar-code clearly visible, *Suburban Express* tends to be picky about such things)
5. Medical check-up form
6. Personal medical records
7. Proof of financial support (2 copies at least - you never know how many you need). You can get these from the bank or from your scholarship provider.
8. Fighting Illini Student Handbook 2020 :)

Miscellaneous

- The University will sign you up for health insurance if you do not have one. Please kindly inform them if you do not wish to take up their health insurance. Getting health insurance is a UIUC requirement. See <https://www.uhcsr.com/school-page> or <http://si.illinois.edu/> for more details.
 - *Do note that you can choose not to take up the insurance plan offered by the university.*
- **Extend Your Passport.** For the NSmen, do visit www.ns.sg to apply for your Exit Permit. There is no need to apply for deferment/disruption unless you have an upcoming mobilization or ICT. Disruption will be granted upon approval of your application for exit permit. However, to be sure, please enquire with CMPB. Recommended to do so before applying for US visa.
- **Textbooks For Classes.** Once you've confirmed your schedule, **check with seniors what books you will need.** Sometimes, books may not be used in the course often despite being listed on the course syllabus. You can also choose to purchase your required books in Singapore, as books in Singapore (e.g. from the NUS Co-op) can be much cheaper. You can also check out <http://www.illinibookexchange.com/>, which is a website where you can get used textbooks from other students. Otherwise, there are also two bookstores on campus, namely the Illini Union Bookstore.

Summer Registration

Summer Registration is a mandatory program for all incoming students. As an international student, you are given the option of meeting an academic advisor and registering for classes online in June/July. You can meet an advisor on campus in August later if you want to.

Remember to complete your college homework and any required placement tests (such as AP credits or A levels) 2 weeks before your registration date.

Placement tests are relatively easy so you don't need to be mugging terribly hard for this. Try to get it done ASAP.

1. Online registration:

- a) In an email sent out by the academic advising office, there is a link to a page where you can sign up for a registration date. If you can't find the link, it is available on this page:
<https://admissions.illinois.edu/Apply/Admitted/summer-registration>
- b) Your academic advisor will contact you directly via the email address that you listed on your admissions application with further instructions for your advising appointment. You can expect this email one to two weeks before your registration date. Make sure you check this email account regularly and look for emails that may have been sent to your spam folder. All communications will come from an official university email account (@illinois.edu).
- c) This email will include details on when your specific advising time will be and how you will "meet" with your advisor. Some departments will advise you through a web-based meeting software program called Elluminate. Other departments will advise you through online chat, email or other forms of online communication.
- d) If you do not meet your advisor, you will not be able to register for classes.

2. August registration:

- e) Typically takes place during the week before the start of the fall semester
- f) You will receive a notification of where and when to meet your advisor, so be there as stated.
- g) The on-campus August registration session allows you to meet the academic face to face and have your questions answered. The academic advisor will also guide you through the registration process
- h) **However, this leaves you at high risk of not getting desired classes, getting classes with terrible timings, or having a limited choice of classes.**

Talk to the academic advisor assigned to you during the summer registration (REQUIRED to remove registration holds), and especially to your seniors, then register for classes. However, DO NOT trust everything that the advisor says, some of them may not be aware of your A-level credits and try to make you sign up for classes that you already have credit hours for. Do talk to your seniors, they will be able to help you better with regards to courses you will need to take. A list of seniors who have offered to be contacted is attached at the end of the handbook.

- For a step-by-step guide on how to register for classes, go to <http://registrar.illinois.edu/registration-procedures> or just ask any senior
- Take note of any passwords that may be assigned to you during the summer registration, these will be used for online registration.
- Class schedules: <https://courses.illinois.edu/>

Proficiency Tests

Not to be confused with placement tests (see above), these tests are basically “jump start” tests. You get credit hours for the course if you pass the test but no grade recorded on your transcript. It basically doesn't count towards your GPA but helps you to graduate faster.

Check

<https://citl.illinois.edu/citl-101/measurement-evaluation/placement-proficiency/proficiency-testing/subjects-with-proficiency-exams> for more information on deadlines to register as well as whether the department offers proficiency tests for the course you're enrolled in. There are also various other proficiency tests offered by the respective departments, such as Mathematics and Physics. Course notes can be found online but you are **strongly encouraged to contact the seniors** (page 30) for more details.

Post-Arrival

At the US customs (your first port-of-call in the US), make sure that the CBP officer has stamped clearly as well as signed in the space on the stamp. This will help avoid future immigration/work permit problems. Your arrival information will be recorded on a form called I-94, which is now recorded *electronically*. You can retrieve it from <https://i94.cbp.dhs.gov/I94/#/home> under the "Get Most Recent I-94" tab.

Note: Confused about first name and last name when you are filling in the immigration forms? Here are some examples:

Consider "Daniel Quek Yiliang"	
Last Name	<i>Quek</i>
First Name	<i>Daniel Yiliang</i>
US Format	<i>Daniel Yiliang Quek</i>
Consider "Lim Yang Kiat, Dennis"	
Last Name	<i>Lim</i>
First Name	<i>Dennis Yang Kiat</i>
US Format	<i>Dennis Yang Kiat Lim</i>

It is important to be consistent.

New visas issued now only include first and last name, so you don't have to worry about middle name if you're asked for it on any form - just leave it blank.

You may need to declare the foodstuffs that you may have. Admissible food i.e condiments, honey, coffee, dried fruits, Milo, food mixes etc.

1. You need to declare the amount of cash you are bringing in if you are bringing in more than 10,000 USD. If you are bringing in a bank draft, do not sign bank draft.
2. Obtain a map of the University if you lost the one at the end of this handbook, this is very important in helping you navigate your way around the school.
 - Hard copies can be obtained from front desk of Illini Union (building I3 on the map)
 - Soft copies/Virtual map can be found at <http://illinois.edu/map/view> then click on "Printable Map(PDF)". It is the first link on the right in orange.

College Admin Business

1. **Fill up the Pre-Arrival E-form** (<https://sunapsis.illinois.edu/>) before heading down to the International Students and Scholars Services to register your student records. Check out the link below for more information:
 - <http://iss.illinois.edu/students/incoming/checkin/>
2. **(You are recommended to do No. 3 first to avoid queues. The order we have provided here follows ISSS' Check-in Procedure.) Report to the International Student and Scholar Services** after filling the online Student Electronic Data Collection. See the following URL for more information on specific dates, times and venues.
<https://iss.illinois.edu/students/incoming/checkin/index.html>
 - Be sure to bring your passport, I-20 and letter of acceptance with you
3. **Apply for the all-important I-card.** It allows you to **take buses for free**, since the school fees that you pay have already included the cost of the bus services. To apply for the I-card, go to the ID Center, which is located on the 1st floor of Illini Union bookstore (Corner of Wright and Daniel Streets). The opening hours are 9am – 5pm, Mon – Fri.
You will have your photograph taken and card printed on the spot. Do note the formatting of your name i.e. first/last name. Be consistent when filling out forms to avoid complications on registration day. Temporary booths for I-Card processing may also be at the Illini Union during the international student check-in period. Most importantly, you **MUST** present your admission letter and passport to obtain your I-Card.
4. **Go for Tuberculosis Screening and Immunizations**, or else you would be prevented from registering for classes. To do so, Report to the McKinley Health Center (building M5 on the map), Immunization and Travel Clinic. Hours of screening are 8am to 4.30pm on weekdays excluding Thursdays. Temporary locations and special hours may also be set up during the check-in period. TB screening is free, and immunizations can be covered by the student insurance. Remember to bring along your medical check-up forms, personal medical records and important identification documents.

5. **Update your address.** This is required by federal law and must be done within 10 days of moving-in. This is done via U-I Integrate. Instructions are on the ISSS website (<http://www.ips.uiuc.edu/ISSS/>). Click on "Students", "Current Students: Immigration Issues", then "Updating Your Address".
6. Contact any SSA member (call, message or e-mail) if you need any additional help upon arrival in UIUC. The contact list is at the end of this booklet.

International Student Orientation

You may choose to participate in International Student Orientation to make new friends, tour the campus, and complete College Admin matters listed above. However, we would recommend that you try to complete College Admin matters before the orientation to avoid the crowds. From our perspective, the best part of International Student Orientation are the campus tours, where your group leader will show you around the key buildings so that you do not get lost. (The campus is very big).

Link to International Student Orientation Info Page:

https://iss.illinois.edu/students/incoming/orientation/ug_orientation.html

You should also have received an email from ISSS about International Student Orientation.

Banking

Open a bank account as soon as possible to avoid long queues. Go to their websites and check them out or ask a few seniors for advice.

- Busey Bank, 614 South Sixth Street, Champaign
- Chase Bank, 201 West University Avenue, Champaign
- PNC, Illini Union Bookstore (next to the ID Center)
- University of Illinois Credit Union, Illini Union

For credit card as well. Note that you will need a Social Security Number (SSN) first, which comes when you get a job.

Advice: apply for credit card (only if you have an SSN!) and build up credit history, as it will definitely come in useful in buying cars/applying for phone lines/many other things

Some banks offer points for referrals. Points can be exchanged for gifts. If you know one another, one person can open an account first, and then the rest may choose to open another at a later date based off his recommendation. You could also say a senior recommended you, all you need is her/his bank account number.

There is usually a bank fair held during the international student orientation period, you can sign up there in the convenience of the Union. **Do note that banks usually require a US phone number in order to open an account.**

Banks sometimes offer freebies to entice you to open an account, but do read carefully to see if you need to maintain a minimum balance, pay a fee for international transfer of money, pay a fee for using ATMs overseas etc. Also think about where their ATMs are. Ask your seniors!

There are two types of accounts.

- Savings Account = higher interest. Money cannot be withdrawn out from this account. Money can only be transferred out of this account into checking account.
- Checking Account = lower or no interest. Checks and usage of debit card draws money from this account.

If you withdraw too much money from the checking account, the bank will automatically deduct your expenditure from your savings account. But at an extra cost! This is called an overdraft.

Some of us place all our finances in the checking account to avoid the hassle of managing two accounts. We just live with the lower interest rates (calculate how many tens of dollars you will "lose"). This is totally up to the individual's preference.

Telecommunications

In the U.S., there are two kinds of mobile networks: GSM and CDMA. Phones in Singapore are designed to run on the GSM network. As such, do not purchase a plan from Verizon or Sprint and use it with your phone from Singapore.

There is usually a telco fair during International Student Orientation at the Illini Union.

Major GSM companies are AT&T (att.com) and T-Mobile (t-mobile.com). AT&T generally has better coverage than T-Mobile, but it's also more expensive. Both offer family plans, where 2-5 people sign on together and share a collective amount of data.

T-mobile offers an international call plan, Stateside International Talk, that's \$15/month. It allows one to call international land-lines and mobile phones. http://www.t-mobile.com/optional-services/international-calling.html?icid=WMD_TM_INTRNTNLVR_8TIA7ML6SK2659

There are deals — such as H2O and Ultra Mobile — that offer pre-paid plans by the month. There is a ~\$20 plan where you get 1GB of data + free calls and messages to Singapore!

There is also Google Fi, \$20/month, which includes: unlimited domestic talk and text, unlimited international texts, Wi-Fi tethering to use your phone as a hotspot, and access to cellular coverage in 170+ countries and destinations. Data use is prorated, at \$10 per GB of data (local & international). Since we are mostly on campus, you could easily limit your usage to only 1GB and only pay \$30 a month. Network is reliable and typically runs on T-mobile or Sprint. Officially supports Nexus and Pixel phones but can be made to work on other phones.

A 200.00 USD CASH deposit is needed for students without a SSN for AT&T. 100.00 USD CASH deposit per person for T-mobile. They will return it to you one year later with interest.

Prepaid is cheaper than family plan, can be suspended during absence up to a year. Check T-mobile or Virgin. No deposit required.

Cricket has an unlimited plan for 4 people with unlimited data to a maximum speed of 3Mbps at \$100/mo. For more information, check their website at <https://www.cricketwireless.com/support/plans-and-features/cricket-plans-and-features/customer/plans.html>

Getting Around

1. Vehicles in the United States are left-handed drives, and are driven on the right.
2. Buses should stop at every stop where there are people. Flagging a bus is usually unnecessary and you may risk looking 'sua-ku'.

- Use Google maps to check on the bus timing and route to your destination
- Bring along your i-Card and show it to the bus driver to get free rides on any MTD bus service you take. The 1 Yellow, 10 Gold⁶, 12 Teal, 13 Silver and 22 Illini are the main buses you will be taking around campus. You don't have to show your I-Card for only these 4 services at bus stops within campus. You generally have to show your i-Card when you board a bus beyond the borders of campus.
- You can take a copy of the MTD Bus Guide the first time you board a bus, and keep this guide with you. There is a stack of them near the front door (they're free!)
 - o The bus guide has a map that shows all the bus routes and important locations around UIUC, such as Walmart, Marketplace Mall etc.
 - o It also shows the timings of when the buses arrive at various places. The buses are fairly punctual.
 - o Alternatively, search for bus routes and times on www.cumtd.com
- Bus stops are marked by a sign that says "MTD BOARD HERE". These are not necessarily sheltered, and are usually just signage on lampposts.
 - o NOTE: When you are out of campus (i.e. taking the bus to Walmart/Marketplace Mall, you may not always find these signs).
 - o The buses often stop along any intersection whenever the bell cord is pulled. If you want to find out where to wait for the bus, best thing to do is to ask a local or refer to the app.

⁶ 10 Gold only runs during the daytime.

- To “press the bell” in the bus, you have to tug at the yellow cord above the windows (pictured below), or press the red button on the vertical pole. Most, but not all junctions are bus stops.

- To get out of the back door, push against any of the vertical bars in the middle of the doors when the green light above it lights up. If it fails to open, holler politely to the bus driver that you need to alight. Alternatively, you can alight from the front door.

- There are plenty of free apps for both iOS and Android that allows you to check the timings for the buses and plan routes. Just search “CUMTD” on your app store and you will find many.

We recommend the apps ‘CU Buses’ or ‘Illini Bus’⁷ for iOS, and ‘Transit’ or ‘CU Bus Guide’ for Android.

- In general, bus numbers, along with their routes and schedules, differ slightly between day and evening services. Example, 1N/S operates in the day and 100N/S operates at night. 22N/S operates in the day while 220N/S operates at night.

Note: There are different operating schedules during weekdays and weekends, day times and night times, semester and breaks.

Directions to Meijers, Target, Walmart or Marketplace Mall:

Meijers, Target, Walmart and Marketplace Mall are the larger shopping places. Meijers is good for groceries, Target and Walmart are hypermarkets with everything from clothes to household appliances. Marketplace Mall is what we usually think of as a “shopping mall”. To get there:

1. Public Transport (45min one-way)
 - a. During the daytime on weekdays, go to the bus stop opposite Illini Union and take bus 2N Red. You can also take bus 1N Yellow from Transit Plaza (bus stop next to the bookstore)
 - b. In the evenings and on weekends, you can take the 100N Yellow or 2C/U Red.
 - c. To get back, just take 2S Red and/or 100S Yellow respectively.
2. ZipCar (15min one-way)
 - a. Zipcar is a pay-per-hour car rental service, ideal for quick trips. Cars are located on/around campus and it is more convenient than traditional car rental. Rental rates start at \$8.50/hr.

⁷ <https://itunes.apple.com/us/app/illini-bus/id537752264?mt=8>

- b. You can sign up for membership at [zipcar.com](https://www.zipcar.com) (be sure to indicate that you are a student at UIUC). They accept Singapore driving license. Annual membership fee is \$15. Do note that it takes some time for the application to process. You should also consider mailing it to a US address (Refer to contact list if you need assistance)
- c. It is not recommended to rent a Zipcar if you intend to use it for more than 3 hours at a time.

Directions to Far East, County Market and Walgreens:

These are on-campus supermarkets. Far East Grocery Store is an Asian grocery store and County Market is a supermarket selling all sorts of fresh and processed foods. To get to both, you can take the 12W Teal to 'Stoughton and Fourth' and walk.

Walgreens is more like a convenience store, selling beauty products, stationery and food. It's located right on Green Street.

Items sold here cost slightly more than their equivalent counterparts at Walmart or Target. If you can afford the time to go Walmart or Target, you would be able to save some money.

Printing & Photocopying Services

- Housing Printers
 - University Housing Residents - USD0.07/page for Grey Scale, USD0.30/page for Color.
 - Others - USD 0.10/page for Greyscale, USD0.40/page for Color.
- Library Printers - USD0.10 cents/page for Grey Scale, USD0.40 cents/page for Color.
- Engineering Workstations (EWS) Printers - Purchase 50-paper blocks for USD4.00. EWS purchased pages can only be used at the College of Engineering labs. Each color page costs 4x the price of a black and white page (USD0.32). EWS printing charges printing per paper, not per page like other locations. Hence, a double sided printing will only be charged once in EWS, while it will be charged double for library printers or housing printers.
- Architecture & Art Library, Funk ACES Library (2nd floor), Music & Performing Arts Library (1st floor), Student Life & Culture Archives have free black and white photocopy machines.
- If you need to print or photocopy documents, head to the FedEx Office on Green Street. They provide very good quality paper, which might be useful for printing resumes and the like.

Mailing Services

- The Post Office is located on the ground floor of Altgeld Hall (building A16 on the map). Enter Altgeld Hall through the west entrance, on the side facing Wright Street. It is particularly easy to get lost in this building.
- Just bring your mail or parcel to the post office and tell them where you want to send it to. The kind people there will advise you on what to do. They encounter many oblivious and lost (aka blur) students like us.

Free Health Packs

- You may pick up the following items at McKinley or Union basement Oasis health center (with your I-card) twice a semester:
 - Cold Care Products (decongestant, cough syrup, ibuprofen, lozenges)
 - Wound Care Package (bandages, gauze, etc.)

Off-Campus Housing

You should decide and look for a place to stay in the next academic year by **October**. One option that most Singaporeans opt for is to find each other and live in apartments. There are also those who continue staying in dorms as well. There are many Property Management Agencies on campus to look for when you are finding apartments. You can ask any SSA members for help! (Contact List at the back of this booklet)

Dining on Campus

Here's a non-exhaustive list of nice, common eateries. Feel free to approach the seniors and ask about other nice eateries. Champaign has quite a number of nice specialty restaurants. Meals can cost from 5 to 12 USD, with an average of 8 USD.

Honestly, this list is just a good-to-know list.

Illini Union Basement: (<https://union.illinois.edu/eat/illini-union-dining>)

This is a typical food court. It is convenient with only-average fast food, but it's cheap.

- Sbarro (Italian Pizza and Pasta)
- Wendy's (Burgers)
- Einstein Bros Bagels
- Qdoba (Mexican)
- Garbanzo Mediterranean Fresh
- Blaze Pizza

West University Ave (3 minutes walk North of Green Street):

- Dairy Queen
- Taco Bell
- Hot Wok Express
- Niro's Gyros
- Perkins Restaurant and Bakery
- Golden Wok (Singaporean-ish food)

Goodwin and Oregon:

- Food carts: Pandamonium Donuts, Cracked (Breakfast Eggs, Sandwiches)

- Cocomero Frozen Yogurt (Pay by weight)
- Subway
- Murphy's Irish Pub (Check out some of their daily (food) promotions)
- Joe's (Half-price burgers on Saturdays)

- J.Gumbo
- Caffè-Bene
- Bab Plus (Korean food)
- Subway
- Rosati's Pizza

- Ko-Fusion

Downtown Urbana and Champaign:

Emergency Situations

Missing Luggage

- Important: Keep the check-in luggage identification tag with you
- Report to the airline counter with the identification number/tag and your luggage will be tracked accordingly

Missed Flights

- Talk to the airline about rescheduling your flight (they will almost always do this for you. Just think of a good reason.)
- Inform the party who will be picking you up and taking you to UIUC (be it seniors, OISA, etc.)

Missed Amtrak

- Call the company involved (Amtrak: 1800-872-7245) and explain to them the situation. In most situations, you will be placed in the next train.

Here by Yourself and Lost

- Make your way to the Illini Union (ask around for directions, everybody knows where the Union is) and ask the front counter for help.
- Alternatively, contact a fellow Singaporean (contact list at the back of this booklet).

Late at Night, Not at Home and Scared of the Dark/Ghosts

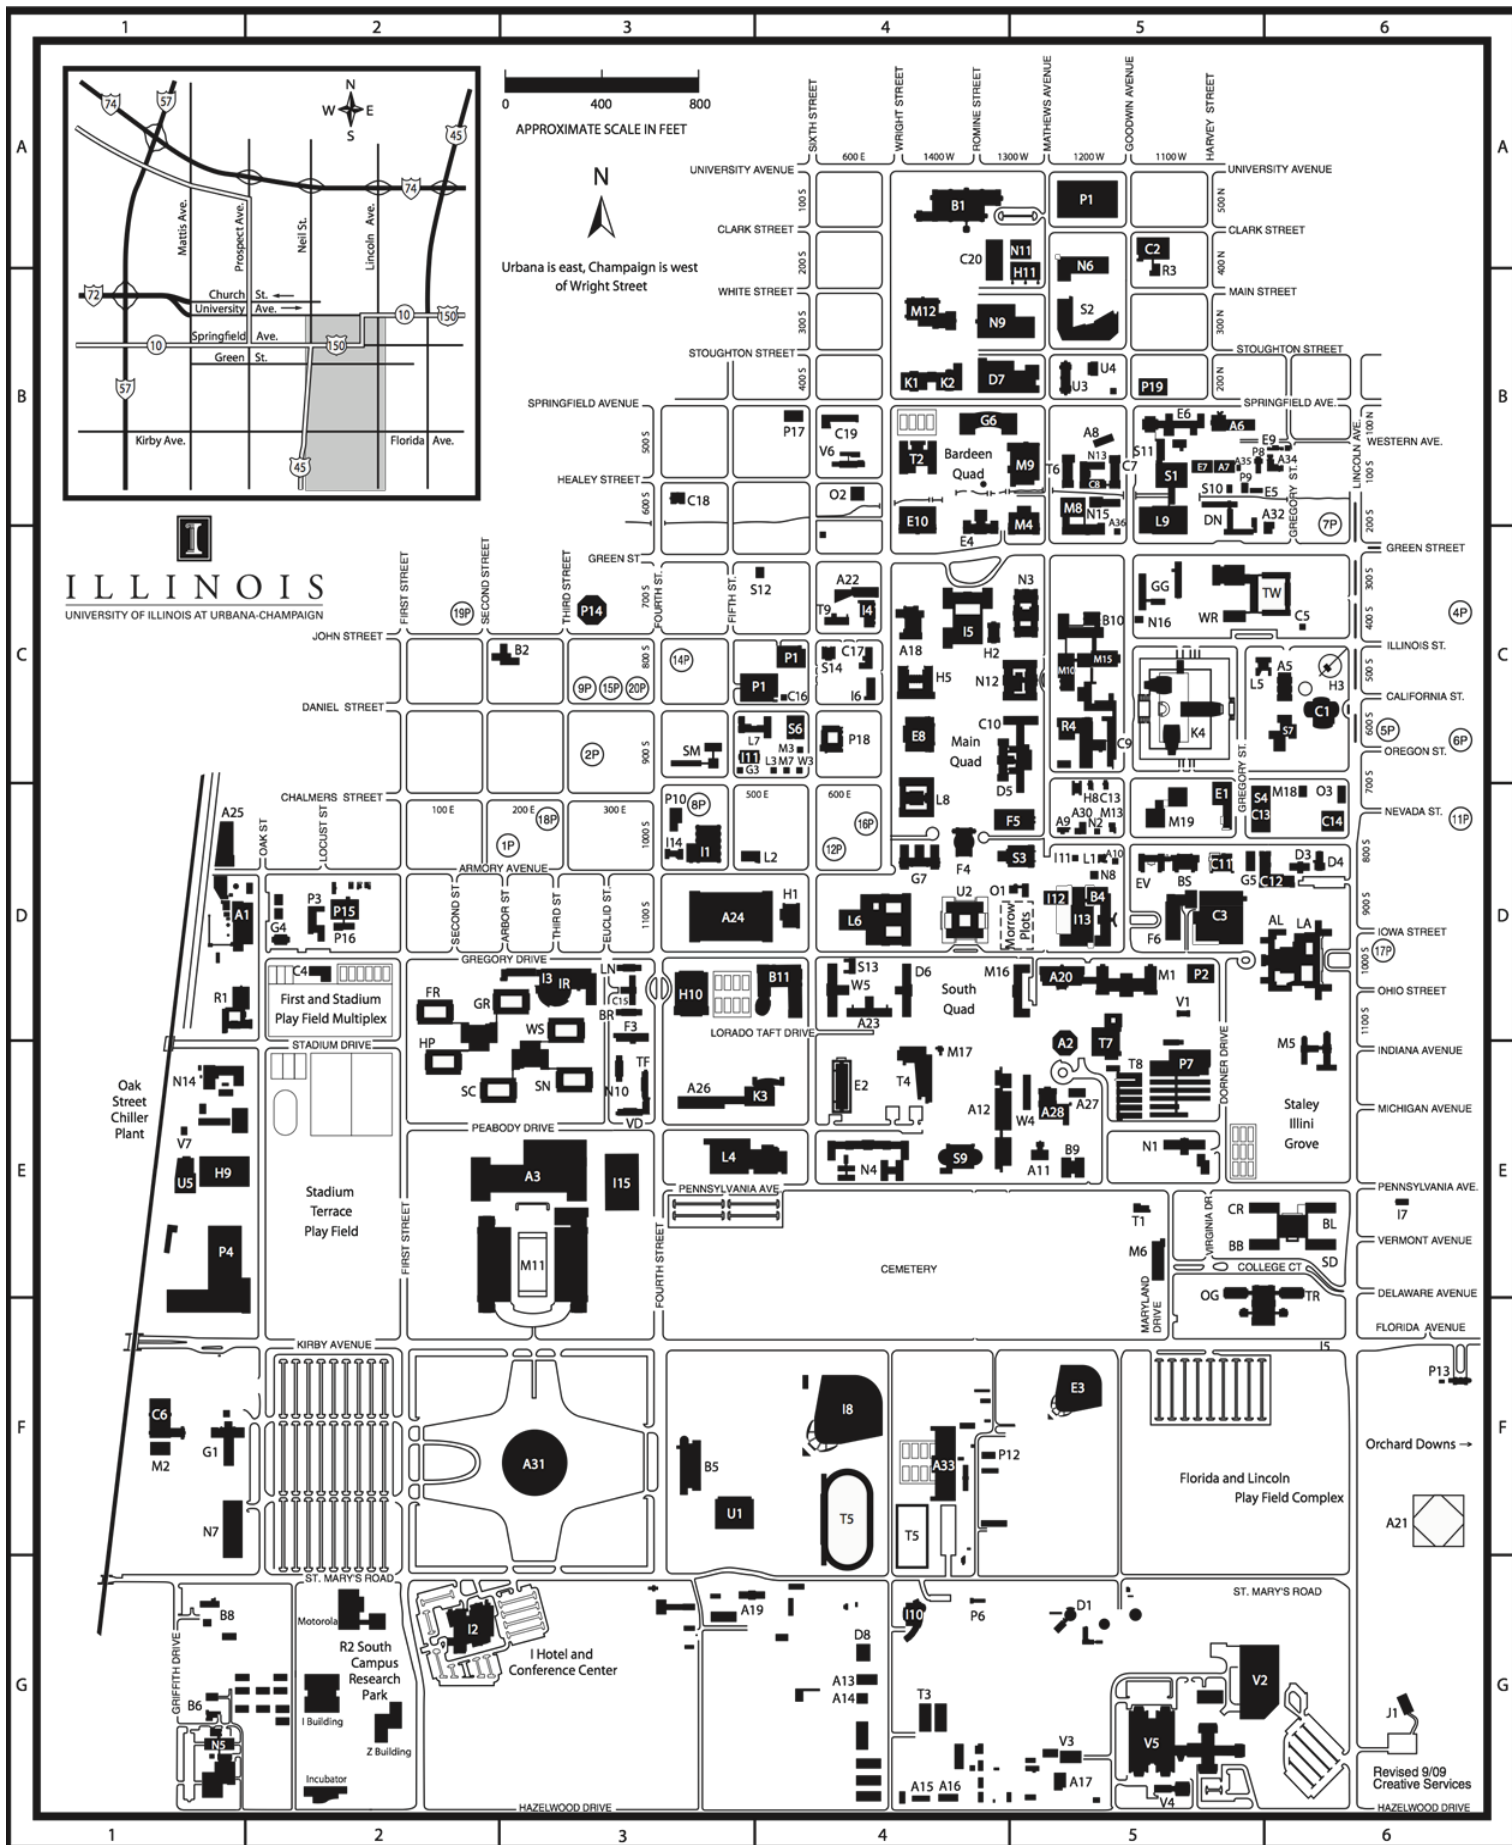

- Call SafeRides, a night ride service serving students and staff of the school. It is a free service and is in operation from 5.30pm to 6.30am 24/7. A van will pick you up and take you to the destination when you call 217-265-7433. See <http://www.dps.uiuc.edu/> for more information about other safety programs.
- There's also SafeWalks. Sometimes SafeRides closes during breaks, but SafeWalks should still be running.
- Alternatively, and the best solution for just about anything, contact a senior for help (contact list at the back of this booklet)!

Packing List

Things to Consider Bringing	
Formal Wear (Suit with Court/Dress Shoes)	For career fairs and formal occasions. The first career fair is in September and is worth checking out.
Stationery	Assignments are usually done in pencil. It is difficult to find Pilot & Pentel mechanical pencils here. Variety of brands may differ from Singapore, and your favourite brands might be more expensive.
Personal Medication	Consider bringing medication like Po Chai pills, charcoal pills, Panadol, etc.
Stapler	Staplers sold here are either tiny or huge, not the common finger-length ones found in Singapore. Note that staple sizes might differ slightly.
US Electric Plug Adaptors	Plugs here have two flat vertical pins and use 110-120 Volts, 60Hz AC. Make sure your devices accepts the above power rating (most do), or bring a transformer.  It is recommended to get an international adaptor with multiple plugs (so that you can use it in other countries as well).
Extension Power Strips	Useful if you have a few appliances with the 3-pin plug.
Jacket/Hoodie /Cardigan	It starts to get chilly and windy at night in August. Imagine being in an air-conditioned room with the fan on.
Set of Old Clothes	Bring along a set of long sleeve shirt and pants you don't mind getting dirty. Paintball and hiking events are sometimes organized.
Ethernet Cable	Most Halls have Wi-Fi, but signal can sometimes be weak. Do consider/checking if your hall needs one.
Winter Wear (Down Jacket, Boots, etc.)	Bring those you have from Singapore. Strongly not recommended to buy in Singapore beforehand.

Things Advised NOT to Bring	
A4 Paper/Files/ Hole Punchers	<p>US uses 'Letter'-sized paper. The dimensions vary slightly from A4.</p> <p>US also uses triple-ring files, so hole punchers are useless unless you bring your own files.</p>
Bed Linen/Pillow	<p>Not advisable to buy beforehand in Singapore since bed sizes might differ. Consider bringing a loose sheet instead.</p> <p>You may consider Walmart (opens 24/7). However, till stocks last, especially on the first day.</p> <p>NOTE: Bed size in Halls is "Twin XL"</p> <p>Alternatively, you can consider asking seniors. Your seniors have a few spare sets that they are willing to give out.</p>
Winter Wear	<p>Try to purchase these in US due to the following reasons::</p> <ol style="list-style-type: none"> 1. Waste of luggage space. 2. Might not be warm enough for the cold weather in Illinois. 3. Cheaper in the US. There are premium outlets here, and SSA intends to go to one as part of our annual Chicago Trip at the start of the academic year.
