Look-Up or Select Classes Results

To register for a class, check the box in front of the CRN and click "Register" or "Add to Worksheet". Some classes may have codes in the Select field. For a description of these codes, select the HELP link.

If a section has seats remaining but you are unable to register because of a 'C' (Closed) in the Select Column, that section has filled its cross-listed maximum capacity and is not available for registration.

If your search returns no results, either click the New Search button to begin again or use the browser back option to adjust your search criteria or to view the list of Course Search results.

Firefox users: If you receive the error message "Your changes have already been submitted.", Refresh/Reload the page and continue with your search.
